

STATEMENT OF PURPOSE

RS21301

Section 19-2608, Idaho Code, currently directs that court ordered tests of breath and bodily fluid are to be paid by the probationer to the governmental agency providing the testing. The purpose of this legislation is to clarify that such court ordered tests of breath and bodily fluids as a condition of probation are not to be included in the cost of supervision fee authorized in sections 20-225 and 31-3201D, Idaho Code, and to clarify that the court can order the payment of other lawful costs and fees that may be imposed on individuals who are on probation.

FISCAL NOTE

There is no impact on the state general fund. The legislation is revenue neutral on county budgets.
